# Users groups

---

- Informal platform for technical experts to discuss problems, needs, latest developments, latest results, ... !
- Connect people from different fields, such as production, R&D, academia, consumable suppliers, tool suppliers, ... !
- Contact spot to find partners and create networks!
- Joint WET and CMP users group meetings twice a year
  - Spring meeting
  - Fall meeting
- More information about users groups can be found at:
  - <https://www.vde.com/de/gmm/arbeitsgebiete/fachbereich-201>
  - <https://www.vde.com/de/gmm/arbeitsgebiete/fachbereich-201/fa12verfahren>
